

## Are you looking for a Spanish course in south america?

**SPANISH WORLD INSTITUTE (SWI)** is a Language School based in Bogotá - Colombia. The school is in a neighborhood very pleasant and well located as it is near to main avenues (where students will have easy access to public transport). It is also close to cafes, restaurants, shopping centers, hospitals, universities.

We count with spacious classroom very well equipped as well as a computer lab with wireless service and free internet access, a library with its own self-study facilities, where students may borrow books. Our students will be in a friendly atmosphere where we will make sure that they will do the most of their stay in Colombia.

We provide you with Spanish training regardless of your linguistic level. Whatever your interest, needs or available time... We have a course for you....

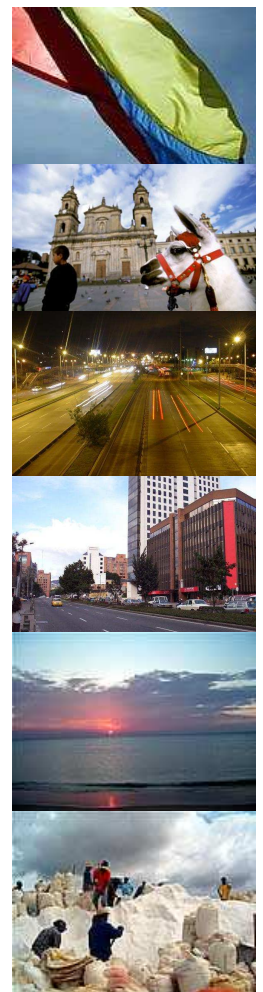

- General Spanish (15 lessons, 20 lessons per week or 30 lessons per week)
- Business Spanish
- Spanish + Voluntary work
- Spanish for Special purposes (Colombian culture, cooking, salsa, academic Spanish, for adopting Colombian children...)
- Spanish for Executives
- D.E.L.E. Preparation

**You can take the courses in groups or individually, in our comfortable facilities or in the convenience of your office or home**

A total language learning experience at **SPANISH WORLD INSTITUTE** means much more than simply language instruction. It also means enjoying the culture, history and social life....

SWI has an extensive programme of leisure and cultural activities throughout the year. These activities are many and varied... There will be always something you fancy doing!!!

## Let us to help you to make the most of your visit to Colombia!!!!
